TOIL &

TROUBLE

The background of the image is filled with a dense crowd of cartoon ghosts. Each ghost is a simple, rounded shape with a light gray outline. They have various facial expressions, including wide-open mouths in surprise or fear, small dots for eyes, and some with small, curved lines for mouths. The ghosts are packed closely together, creating a sense of a large group. In the center of the image, the word "BOOO!" is written in a large, bold, black, sans-serif font. The exclamation mark is particularly large and prominent. The overall style is playful and whimsical, typical of a Halloween-themed children's book or poster.
